MISSION STATEMENT

Saint Edward Central Catholic High School is a college preparatory, faith-centered Catholic community. Our mission is to nurture the discipleship of Jesus Christ and to promote excellence in education. To further this mission, St. Edward CCHS enables its students to develop life long skills and abilities that will help them become empathic, responsible, and productive citizens.

ADMISSIONS

It has always been the teaching of the Catholic Church that every Catholic child shall have an equal right to be educated in a Catholic School. Every child should be entitled to admission to St. Edward CCHS without regard to race, national origin, sex, ethnicity, immigration status, or socio-economic status. Admission is based on, but not limited to, the entrance exam score and junior high school grades. Applicants are considered in one of two classifications: Incoming Freshman-Student entering St. Edward in the ninth grade; Transfer Students, whose academic, attendance, and behavior records are in good standing may be admitted.

COLLEGE & CAREER COUNSELING

Counselors guide students in planning a rigorous four-year course of academic study, aligned with each student's passions and goals, helping plan for their post-secondary plans. Counselors assist students with college applications, scholarship applications, and meetings with college admissions representatives, while also helping families with college financial aid applications (FAFSA).
