

St Edward High School

Parent Connection Membership Form

Parent Connection is a great way to stay connected to your student and the school during the high school years. Meetings are at 7pm on the third Thursday of the month, are one hour long, and focus on the interests of students, families, staff, and school. Our focus is on finding ways to make the school a great place for your students to learn!

St Edward's Parent Connection is open to ALL Parents and Guardians of St. Edward students.
