

Dear Parents,

The recent inclement weather brought to our attention that adding a "Delayed Start" bell schedule would give us another option on days of inclement weather to best serve our students and families. If the Delayed Start Schedule were to be used, you would be notified in the usual manner. With a Delayed Start bell schedule, first hour and would start at 9:30am (there would be no Early Bird). We would continue through the schedule, ending at the normal dismissal time of 2:45pm. Lunch would be served.

We realize that many parents drive their student to school, and we wanted to communicate this additional class schedule to you so transportation adjustments could be made. We also realize that the Delayed Start schedule may not work for everyone, but it adds an option to best serve the entire St. Edward community.

Please note that the building will still be open at 8:00am on those days that we implement a delayed start.

Below, please find a copy of the Delayed Start Bell Schedule.
