

ST. EDWARD CENTRAL CATHOLIC HIGH SCHOOL

Dear St. Edward Family,

As you know by now, my name is Brian Tekampe and I am extremely happy to be joining the St. Edward family as your new principal. I'm very passionate about education and look forward to partnering with each of you to provide our students a rigorous, engaging, and faith-centered experience.

Before joining St. Edward, I served in a variety of teaching and educational leadership roles. My most recent experience was as principal of St. Gilbert elementary school in Grayslake. Prior to that I was a teacher at Carmel Catholic High School in Mundelein where I spent time as a department chair, the summer school director, and class moderator. I received my BA from Marquette University and my MA in Educational Administration from Dominican University.

We've had a busy summer hiring new teachers and making some physical upgrades to our campus, but we miss the students. A high school is meant to be a place of energy and excitement and without our students the building is too quiet!

I truly look forward to meeting and working with all of you throughout the coming school year.

Sincerely,

Mr. Tekampe
