**SCHEDULE A CONSULTATION WITH DR. HOLZE AND LEARN MORE ABOUT HOW WE UTILIZE FUNCTIONAL MEDICINE.**

Functional medicine focuses on treating individuals who may have bodily symptoms, imbalances and dysfunctions. Functional medicine seeks to identify and address the root causes of disease, and views the body as one integrated system, not a collection of independent organs divided up by medical specialties.

Functional medicine practitioners provide chronic care management with the belief that "diet, nutrition, and exposure to environmental toxins play central roles in functional medicine because they may predispose to illness, provoke symptoms, and modulate the activity of biochemical mediators through a complex and diverse set of mechanisms.

Dear Friends,

On behalf of the entire Saint Edward Central Catholic High School family I welcome you to Tidal Wave 2020, "Roaring into the Twenties". St. Edward is a family united by faith and dedicated to providing a high-quality Catholic Education for our students. Tidal Wave has an over 30-year history of providing essential financial support to sustain the excellence in education St. Edward provides. This year's Tidal Wave will have a much different feel than past Tidal Waves due to the COVID-19 pandemic. While we are saddened to miss the night of celebration, we are still thankful to be able to move forward with our auction. Thank you for your support of Tidal Wave and for helping the students of today and tomorrow.

We would especially like to thank and congratulate our special honorees this year.

This year we recognize Monsignor Daniel Deutsch, class of 1980, and Christine (Hoffmann) Rejman, class of 1988, as the Co-Alumni of the Year. Born in St. Charles, Msgr. Deutsch attended St. Patrick Grade School and St. Edward Central Catholic High School and was ordained in 1994. We honor and thank Msgr. Deutsch for his passionate voice in support of Catholic Education. Volunteering has been an important piece of Christine's life since her graduation from St. Edward. Along with volunteering for St. Edward, she has devoted her time and talents to St. Laurence School and Amita Saint Joseph Hospital. We honor and thank Christine for her commitment to volunteerism and fundraising.

The 2020 recipient of the St. Gregory the Great Award is Mrs. AnnMarie Dufelmeier, St. Edward class of 1998, for exemplifying excellence in education. She continually strives to enhance the mission of St. Edward Central Catholic High School and the daily lives of her students. She continually strives to provide the best atmosphere for learning for each one of her students. AnnMarie's commitment to going above and beyond is second to none.

Mr. Mike Rolando is the 2020 recipient of the Loyal Order of St. Edward Award for his contributions to the St. Edward Central Catholic High School football, softball, and baseball programs. Dubbed "Coach Ro" by his football players at the start of his coaching career at St. Edward in 2005 he has worked tirelessly to turn young athletes into young adults. He works to strengthen the St. Edward athletics programs upon the pillars of Discipline, Respect, Pride, Teamwork, and Academic Excellence.

We also honor Jennifer and Daniel Davis of Davisware as the 2020 Patron of the Year. Personally, and on behalf of the Davisware organization, the Davis family has generously supported community volunteer efforts, alumni employment and internship opportunities and financial support, the greater Elgin area, including that of the St. Edward CCHS.

Let us take a moment to thank this year's Chairpersons, Dr. and Mrs. Brian and Katie Heffelfinger as well as Mrs. Mary Kae Hoffmann and Mrs. Christine Rejman for their many hours of volunteer time and flexibility as we moved from a gala to an online auction. Tidal Wave is only possible with the diligent determination of our chairpersons and volunteers. We thank you all!

On behalf of all the students that benefit from your generosity, I thank you all for participating in this year's auction. Thank you for your financial and prayerful support of St. Edward Central Catholic High School. Blessings,

A handwritten signature in black ink, appearing to read "Brian Tekampe".

Dear Friends, Family, and Alumni of St. Edward High School,

Welcome to the annual Tidal Wave event for St. Edward Central Catholic High School. This year's event, "Roaring into the Twenties", is being held online due to the pandemic. While the past months have been a struggle for all of us, this year's multi-day event, with an online auction extending from July 3rd to July 7th, gives us an opportunity to focus on the future, and, perhaps, to put away the circumstances of the present for a moment. This nod towards the future has always been one of the key focuses of Tidal Wave as it highlights our hopes for the future for our students, our school and staff, and our entire local Catholic community. Your volunteerism and financial support are especially critical during these challenging times. Your efforts and your donations truly help to shape our students into the next generation of Catholic citizens and leaders.

Thank you to the entire Tidal Wave committee for their hard work and dedication throughout the year and to the parents who coordinated this year's alumni and gift-gathering parties. The St. Edward family truly has a wonderful community of volunteers. A special thank you goes out to the coordinators of Tidal Wave, Christine Rejman and Mary Kae Hoffmann. They continue to spend countless hours each year to make Tidal Wave possible. We would also like to thank the St. Edward administration, including Principal Brian Tekampe, Jan Schroeder, Joyce Gudino, and Michelle Kaufman, for facilitating the transition of this year's event into its current online form. Although we were not able to enjoy the ambiance of the Chicago Marriott Northwest this year, we look forward to the time when we will be able to meet and celebrate together in person. It has been a privilege to serve as chairpersons of Tidal Wave in 2020. Lastly, thank you again for your generous support of the stewardship of St. Edward High School where our students can be shaped into the leaders of tomorrow through the spirit of Jesus Christ.

Sincerely yours,

A handwritten signature in cursive script that reads "Katie &amp; Brian Heffelfinger".

## CONGRATULATIONS,

**Christine Hoffmann Rejman, on being named the St. Edward Central Catholic 2020 Alumnus of the Year!**

We commend you on your achievements that exemplify St. Edward Central Catholic values of helping others.

*“St. Edward High School has always been a close-knit family. This was special to me when I was a student and very special when my children, Jared 2016 and Mallory 2018, attended St. Ed’s. My time at St. Ed’s, the many friends I have made here and the Tidal Wave tradition will always be special to me.”*

Christine has been behind the scenes of Tidal Wave for several years, working tirelessly for the event’s success each year. Sponsor phone calls, mailings, raffle tickets, organizing volunteers, meetings, gift gathering and more, she has done it. Christine grew up hearing about Tidal Wave from her mom and friends. She attended Tidal Wave many years before her own children attended St. Ed’s. And, was asked by Father Edward Seisser to chair Tidal Wave 2016. Each event since has grown in attendance, financial support and parent enthusiasm thanks to her passion and dedication as an alum of St. Edward Central Catholic High School.

Send our warmest greetings and support  
On the occasion of Tidal Wave 2020!

**GO GREEN WAVE!**

***Let us be grateful for people who make us smile,  
For people who make work fun,  
And for people who will get the job done.***

Tidal Wave 2020 planning began exactly a year ago. *“Roaring into the ‘20s”* seemed like an appropriate theme to welcome the new decade. For the past 30 years the St. Ed’s family has anticipated the “roar” of its annual Tidal Wave. We surely were not prepared for the roaring that would affect all of us as the year evolved. We have all become more flexible and accepting to change during the past few months. And, so too, all our planning for an in person Tidal Wave event has changed to an on line auction.

Tidal Wave must go on to show our appreciation to our generous individuals and businesses; to recognize the many sponsors who continue to support St. Ed’s; and most importantly, to meet the fund-raising goal that benefits our students and programs.

We wish to express our gratitude here to the many remarkable people who made this Tidal Wave possible. Thank you to our extremely enthusiastic chairmen, Brian and Katie Heffelfinger. They are organized, flexible and accepting of challenges that event planning presents. Katie’s energy is endless! She works tirelessly to secure event sponsors and seek auction items. She has been our cheerleader, promoting Tidal Wave wherever she is. It has been a pleasure to have them at our side.

The 2020 Tidal Wave committee of parents, alums and friends is outstanding. These dedicated men and women hosted parties, solicited gifts and donations, organized raffles, entered data, photographed auction items, planned decorations and more. Your presence and day to day support is sincerely appreciated.

Thank you to our vendors who were working diligently to help make our in-person event a memorable one and then their lives changed too. Gina Engler, Chicago Marriott Northwest, Lori Shane and our band The Mix, Elliott Fromm and Danya Malow from Art Beat Live, Kevin Bunte, auctioneer, Tom Berna Moving & Storage, photographer, Patrick Knott, program designer Christine Rose, printer Steve Hill, Glen West and production manager Joe West. They are looking forward to working with St. Edward High School in 2021!

We cannot forget our sponsors and gift donors, nor our guests who bid on auction items throughout our five-day event. Student technology upgrade and the Guardian Angel financial assistance program will benefit from your gifts. Thank you for your generosity and friendship to St. Edward High School.

*A tremendous combination of time, talent and treasure has gone into making “Roaring into the ‘20s” a success. Thank you! Thank you!*
