**Building a Future Together**

Our goal is to be the regional choice for a well rounded academic experience based upon college, career and life preparation. We will continue to build upon the nearly 80-year tradition of forming leaders in citizenry and faith, whereby we safeguard our Catholic traditions and identity to exude a vibrant, welcoming spirit. To that end, a committee of staff and alumni have spearheaded a campaign to increase enrollment and eliminate debt. Now we need your help.

# The Pathway to the Future

## INCREASE ENROLLMENT

Overcome competitive challenges from public, private, Christian, and out of diocese Catholic high school options by showcasing the many benefits of our college preparatory, collaborative learning community which implements best practices in instruction and technology integration.

## DEBT ELIMINATION

St. Edward faithful, alumni, friends and generous donors continue to support the mission and vision of the high school. Because of their generosity the school debt is now at the \$1,000,000 mark. **We need your help to recognize the schools dream of becoming debt free.** Curriculum enhancements, strategic planning initiatives, enrollment strategies and general needs will be more readily addressed with a debt free St. Edward High School.

Due to the generosity of so many,  
our debt is now \$375,000!!

## STUDENT LIFE

Our students are not only given opportunities to excel academically, but in a multitude of extracurricular activities involving organized athletics, student government, community involvement groups and the arts. **Here, at St. Edward, students are encouraged to find their niche and pursue their passions.**
