

ST. EDWARD CENTRAL CATHOLIC HIGH SCHOOL ANNUAL REPORT

2021
2022

Dear Friends, Parents and Alumni,

In May we honored the 78th graduating class of St. Edward Central Catholic High School. The graduation ceremony was presided over by Most Rev. David J. Malloy, Bishop of the Diocese of Rockford. Another successful year was completed and we sent our graduates on to the next part of their life's journey. They take with them both the knowledge earned from an excellent education and wisdom gained from our faith. We wish them all the best.

The past year brought many blessings to St. Edward High School. The new press box was completed at Greg True Field, the Annual Appeal and Tidal Wave both exceeded their expected fundraising goals, and the planning of The Fox Family Performing Arts Center is in full swing. Our students participated in the Scholastic Bowl and other academic events and our athletic teams continued to be successful. Service among our students excelled during the past year and their sense of volunteerism is inspiring. We have much to be grateful for at St. Edward High School.

St. Edward stands out and is truly a special place. The students, faculty, staff, benefactors, and alumni are outstanding. It is your commitment to St. Edward that is inspiring. We couldn't do it without your generous hearts. The past 80 years would not have been possible without you.

Jesus has trusted in us to educate and train young adult students in the ways of the faith. We intend to continue this tradition for many more years.

Future Fox Family Performing Arts Center

"The plan to construct the Fox Family Performing Arts Center is the realization of a dream which was first strongly considered in 1972 and resurfaced with the school's strategic planning process in the early 2000's. When it is realized, it will, for the first time in the school's history, provide suitable space with proper acoustics for the performances of the Theatre and Music Departments. In addition to those uses, the school will also have a suitable space to use for school masses, assemblies, annual graduations, and large meetings to name a few. St. Edward High School will now have a designated facility for the arts."

- Don Haefliger, Co-Chairman of the building committee

Thank you to Mr. and Mrs. Geoff Fox and Mr. and Mrs. Robert Fox and their families for assisting the school with the realization of this goal.
