\* Deceased

Dear Friends, Family, and Alumni of St. Edward Central Catholic High School,

Welcome to Tidal Wave 2024: "The Experientia." *Experientia* is the Latin word for experience. I mentioned to many in my first few months as a new employee how I was inspired as I met faculty, staff, and students in the classrooms. The environment was so welcoming and there was a strong sense of community and family. I saw firsthand how passionate and compassionate faculty instructed their students with enthusiasm. I met students who respected their teachers and who enjoyed learning new, old, and challenging topics. I was impressed with the talented, smart, and kind-spirited young people of St. Edward. Now, a year later, I continue to share with others that working here at St. Edward has been a blessing. I am inspired daily by what I see, hear, and feel from the faculty, students, parents, and alumni – love for this community.

With all that in mind, an evening of "Experientia" was the inspiration for the entertainment and the entire program.

Tonight, I personally hope you each see, hear, and feel for yourselves something that you didn't know about our faculty/staff, students, and alumni. They are each here to share their special gift, talent, or extraordinary experience at St. Edward with you. We have faith that this evening's *Experientia* will inspire you to bid high or give more to this school that has touched so many lives over the years and will continue to provide incredible experiences for many more to come.

With Gratitude,

*Siobhan Cottone*
